Commissioner for Patents:

Upon review of the above-referenced Letters Patent, error(s) were noted.

The error(s) below were the mistake of the U.S. Patent and Trademark Office.

Please correct the following:

At title page 2, column 2, line 24, "Weber et al." should read --Van Wie et al.--.

At column 9, line 31, "play of a a content" should read --play of a content--.

At column 12, line 24, "the pre-buffer cache;" should read --the pre-buffer cache,-

-.

With regard to the first error, the correct information was submitted on page 2, line 62 in the Information Disclosure Statement filed March 4, 2008 and considered by the Examiner on January 27, 2010. However, the above error appears to have been introduced by the U.S. Patent Office in the issued patent.

With regard to the second error, the correct language from issued claim 6 above can be found in claim 6 of the amendment after allowance filed May 21, 2010. However, the above error appears to have been introduced by the U.S. Patent Office in the issued patent.

With regard to the third error, the correct language from issued claim 21 above can be found in claim 21 of the amendment submitted with the RCE filed November 13, 2009. However, the above error appears to have been introduced by the U.S. Patent Office in the issued patent.

The errors below occurred in good faith and were not the mistake of the U.S. Patent and Trademark Office. Please correct the following:

At column 9, line 61, “in the pre-puffer cache;” should read -- in the pre-buffer cache;--.

At column 11, line 34, “in the pre-puffer cache;” should read -- in the pre-buffer cache;--.

The above errors, which are not the mistake of the U.S. Patent and Trademark Office, are typographical in nature and were inadvertently introduced in the amendment submitted with the RCE filed November 13, 2009.

The payment of the fee set forth in 37 CFR 1.20(a) is included herewith.

It is respectfully requested that a Certificate of Correction be issued. The Commissioner is hereby authorized to charge shortages or credit overpayments to Deposit Account No. 500393.
